PROFESSIONAL SUMMARY

A passionate, innovative professional web developer with 4+ years of experience in web design and development across different industries using recent technologies. Creating modern and responsive designs for website and fully functional server-side web applications. Proficient in developing databases, creating user interface, writing and testing codes, troubleshooting/debugging issues, and implementing new features based on user feedbacks. A curious problem-solver, innovative and out-of-the-box ideas to formulate practical solutions to design problems. Fantastic communication skills, technical knowledge and attention to detail. Understands electronic engineering principles and electrical testing methods.

WORK HISTORY

WEB DEVELOPER, 10/2021 - Current

Freelance, Remote, Remote

- Collaborated with web designers to match visual design intent.
- Managed databases with strong SQL and NoSQL skills.
- Delivered front- and back-end development across mobile and web applications.
- Investigated and resolved software issues reported by end-users, providing swift and effective solutions.
- Conducted regular code refactoring to enhance readability, maintainability, and overall code quality.
- Developed scalable software applications for optimal performance.
- Integrated third-party APIs seamlessly into existing systems, expanding feature sets and capabilities.
- Wrote clean, clear and well-tested code for various projects.

ELECTRONICS ENGINEER, 09/2023- 12/2023***Arone Energy, Nsukka, Enugu State, Nigeria.***

- Quality Assurance Test.
- PCBs programming (Arduino IDE).
- Managed PCB and electronics design in alignment with company product development objectives.
- Utilized expertise in electronic principles to optimize equipment functionality and performance.
- Produced Bill of Materials and production documentation for all products.
- Used fault-finding and troubleshooting expertise to detect errors and develop technical solutions.

ELECTRONICS ENGINEER, 04/2023-09/2023***BOT'Y LTD, Nsukka, Enugu State, Nigeria.***

- Tested and verified adherence to specifications for prototypes, samples and production parts.
- Produced schematics, blueprints and proposals to best meet project demands.
- Maintained project records, manuals and diagrams for comprehensive referencing.
- Led and participated in design of electronic and electrical control systems to support product development.
- Collaborated with key stakeholders to improve design, manufacturing and procurement processes.

WEB DEVELOPER, 05/2022 - 01/2023***Muchency Studios, Nsukka, Enugu State, Nigeria.***

- Designed web pages to enhance branding and navigation.
- Collaborated with web designers to match visual design intent.
- Managed databases with strong NoSQL skills.
- Delivered front- and back-end development across mobile and web applications.
- Created custom websites by harnessing HTML, CSS and JavaScript skills.
- Worked with UX/UI designers to implement visually appealing and user-friendly interfaces.
- Boosted website performance and stability through planned maintenance and targeted troubleshooting.
- Collaborated in agile development sprints for timely delivery of high-quality code. Documented software specifications, aiding in future troubleshooting and updates.

INTERN, 01/2022-08/2023

CATA AUTOMATED SYSTEMS, Nsukka, Enugu State, Nigeria.

- Site Survey
- CCTV installations/configuration for homes and offices.
- Documented well organized quotations and bill of materials for installations
- Used problem-solving skills to resolve challenges and prioritize workload.

SKILLS

- **Frontend Development:** JavaScript, HTML/CSS3, Bootstrap, jQuery, TypeScript.
- **Backend Development:** Node.js, Express.js.
- **Database/Management:** MongoDB, MySQL.
- **Frameworks:** React.js Next.js.
- **Graphics Design.**
- **Arduino.**
- **Microsoft Office Suit.**
- **Troubleshooting and repairs of electronic devices.**
- **Good Team Spirit.**

EDUCATION

University Of Nigeria Nsukka, Nigeria, 10/2017 - 08/2023

B. Eng: Electronics Engineering.

Urban Boys Secondary School, Nsukka (U.B.S.S), Nigeria, 06/2009 - 06/2015

SSCE: Sciences.

Community Primary School Iheaka, Nsukka, Nigeria, 04/2006 - 08/2008

First School Leaving Certificate: Sciences.
